PREAMBLE

Mindful of our commitment under the Transitional Constitution of the Republic of South Sudan, 2011, (TCRSS) as amended, to lay the foundation for a united, peaceful and prosperous society based on justice, equality, respect for human rights and the rule of law;

Deeply regretting the scale of untold human suffering that had befallen our country and people as a result of disregarding this commitment;

Determined to compensate our people by recommitting ourselves to peace and constitutionalism and not to repeat mistakes of the past;

Recognizing the prime significance of preserving the sovereignty and territorial integrity of our country;

Cognizant that a federal system of government is a popular demand of the people of the Republic of South Sudan and the need for the RTGoNU to reflect this demand by way of devolution of more powers and resources to lower levels of government;

Pursuant to the decision of the Inter-Governmental Authority for Development (IGAD) Assembly of Heads of State and Government at its 31st Extra-Ordinary Summit of 12 June 2017, held in Addis Ababa, Ethiopia, which decided: “to urgently convene a High-level Revitalisation Forum of the parties to the Agreement on the Resolution of the Conflict in the Republic of South Sudan (ARCSS), including estranged groups to discuss concrete measures, to restore permanent ceasefire, full implementation of the ARCSS, and to develop revised realistic timelines and implementation schedule towards democratic elections at the end of the Transitional Period”;

Reaffirming the commitments that we have solemnly undertaken in the ARCSS, the High-Level Revitalization Forum, the Khartoum Declaration and the Agreements on the Outstanding Security and Governance Issues;

We the Parties, comprising of Transitional Government of National Unity of the Republic of South Sudan (TGoNU), the Sudan People’s Liberation Movement/Army-In Opposition (SPLM/A-IO), the South Sudan Opposition Alliance (SSOA), Former Detainees (FDs), Other Political Parties (OPP), collectively referred to as the Parties, confirm our commitment to the “the Revitalized Agreement on the Resolution of the Conflict in the Republic of South Sudan” and do hereby resolve as follows:

Mediation team Proposal on Article 4

1. The TBC shall draw a list and map of tribal boundaries currently in dispute as a consequence of introducing the 32 states. The TBC shall restrict its work to addressing those boundaries and shall specify tribal boundaries of 1.1.1956 that were violated by the 32 states. Tribal boundaries not affected by the states are not required to be listed or mapped.
2. The IBC shall propose rectifications for the boundaries of the 32 states found by the TBC as violating tribal boundaries of 1.1.1956. Furthermore, the IBC shall agree by consensus, and on the basis of its alternative set guidelines, on number and boundaries of states that are most appropriate for the Republic of Sudan.
3. The IBC guidelines for determining the number and boundaries of states, which shall be drafted beforehand and right at the beginning of the work of the IBC, shall include respecting the tribal population size and social cohesion, geographic size, and economic viability, among others.
4. In the light of its set guidelines, the IBC shall study all viable alternatives for the number and boundaries of states, which shall include the 32, 21 and 10 states options, and shall determine by consensus which number and boundaries are appropriate.
5. If the IBC fails to agree on the number and boundaries of states, the RCNBS shall conduct a referendum on this matter asking South Sudanese to choose one of the following options:
 - A. The IBC proposal for rectifying the boundaries of the 32 states.
 - B. The 32 states.
 - C. The 21 states.
 - D. The 10 states.
 - E. Any other number of states agreed by the IBC to be offered as an alternative.
